

The recently established National Center of Competence in Research **nccr – on the move** aims to enhance the understanding of contemporary migration patterns. Transcending disciplines, the NCCR brings together research projects from the social sciences, economics and law. Managed by the University of Neuchâtel, the network comprises seven universities in Switzerland.

To complete the **nccr – on the move** Network Office we are searching for a

Data Manager (50–60 %)

The start date will be December 1, 2014 (or as soon as possible thereafter). Within the NCCR Network Office at the University of Neuchâtel you will be the contact person for data management within the network encouraging the network members to develop databases of their own, ensuring that all research teams have access to existing statistical and longitudinal data and settling questions of data use and storage with relevant stakeholders (Federal Statistical Office, FORS).

You have completed an academic degree in social sciences, economics or IT, and have acquired good knowledge in social statistics and/or migration/mobility issues. You have previous experience in setting up and maintaining databases. You are a proactive individual with good organizational skills who is motivated by the prospect of developing a data management architecture that will allow the NCCR to position itself at the forefront of research on migration and mobility studies internationally. You have excellent written and oral command of English, French and German. We offer an interesting environment in a multilingual team, flexible working conditions, and good social benefits in line with the University of Neuchâtel's standards. The University of Neuchâtel is an Equal Opportunity Employer. Qualified women are encouraged to apply.

Please send your complete application (Cover letter, CV, Diplomas) by October 31, 2014 to: Gina Fiore Walder, nccr – on the move, Université de Neuchâtel, Faubourg de l'Hôpital 106, 2000 Neuchâtel, gina.fiore@nccr-onthemove.ch
