

## Some Practical Information

### Getting around Neuchâtel

For all accommodation within the city of Neuchâtel and beyond, a “Neuchâtel Transport Card” is offered by your hotel allowing for free access to public transportation. For more information, see [here](#).

Please note that the transport card will be given to you when you check in. Make sure you buy a valid transport ticket for any public transport you take before check-in. Random checks are frequent and fines quite high. Neuchâtel is relatively small and you can walk down easily from the train station to where most of the hotels are located (see following map).

### Conference Venue
