The Graduate Institute of International and Development Studies is recruiting a

**Postdoc in Economics of Migration (80%)**

The successful applicant is expected to carry out research and contribute to research projects in the area of international migration, education and labor markets, under the supervision of Professor Martina Viarengo. This position is financed by the nccr – on the move.

The nccr – on the move is the National Center of Competence in Research (NCCR) for migration and mobility studies. It aims to enhance the understanding of contemporary phenomena related to migration and mobility in Switzerland and beyond. Connecting disciplines, the NCCR brings together research from the social sciences, economics and law. Managed from the University of Neuchâtel, the network comprises fourteen research projects at ten universities in Switzerland. The NCCRs promote long-term research networks in areas of strategic importance for Swiss science, the Swiss economy and Swiss society.

Requirements:
- PhD in Economics or related fields;
- Areas of expertise: economics, applied econometrics, migration;
- Promising publication record;
- Experience with econometric and statistical software (e.g. Stata, R);
- Excellent oral and written command of English (knowledge of French would be an asset).

The position is based at The Graduate Institute, Geneva, with periodical travels to the University of Neuchâtel. The initial appointment will be for a year, with a possibility of extension.

Starting date: June 1st 2021 or upon mutual agreement. Period of contract: June 1st to May 31st 2022.

Applications should be submitted online at the Graduate Institute before the 31st of October 2020: https://erecruit.graduateinstitute.ch/recrutement/?page=advertisement_display&id=295.

Interested candidates should submit their application consisting of a CV, cover letter and a research paper. Two academic references should be submitted directly by the referees to Prof. Viarengo by e-mail at martina.viarengo@graduateinstitute.ch before the 31st of October 2020 (title: NCCR – PostDoc Position). For additional information, please contact Prof. Viarengo by e-mail.

Benefits: The salary and working conditions are in accordance with the regulations of the Swiss National Science Foundation. The nccr – on the move offers attractive working conditions, including support measures for researchers with childcare duties.

We are an equal opportunity employer and value diversity at our company. We do not discriminate on the basis of age, marital status, disability status, race, national origin, color, gender, sexual orientation or religion.
