The Future of Mobility and Immobility

Neuchâtel Graduate Conference of Migration and Mobility Studies

University of Neuchâtel, 1 – 2 July 2021

Program
The Neuchâtel Graduate Conference (NGC) is an international graduate conference organized by the nccr – on the move, Swiss National Center of Competence in Research (NCCR) for migration and mobility studies. It provides a stimulating environment in which PhD and Postdoctoral fellows from different universities and research institutions can exchange ideas, establish networks, and initiate collaborative research.

The 4th edition will take place from 1 to 2 July 2021 as a series of online events providing opportunities to meet other researchers in formal and informal gatherings. The topic of this year is ‘The Future of Mobility and Immobility’.

These are the plenary events of the online conference:
